

SOUTHPOINT MARINA

Southpoint Marina is a private marina. Only Guests, visitors and approved individuals may launch vessels with the following rates. Southpoint Marina offers a peaceful and unstressed launching facility without the long lines of a busy and chaotic public launching park.

All trailers must be parked in designated areas and car keys must be left with the dockmaster in case the trailer must be moved temporarily. Southpoint Marina is not responsible for damage or any type of theft while vessels or trailers are stored on the property.
